

## **From the Rear Commodore**

If you weren't on the Memorial Day Cruise you missed a great time. Cruise Captains Tod & Anne Herrick did an excellent job designing a well thought out cruise. The weather helped a little bit as well. Three glorious days of sunshine and warm (not hot) weather with wind on Saturday and Monday really set this cruise off. Add to that the participation of 16 Glenmar boats and this was a cruise to remember.

The Family Cruise is next and we currently have 13 boats signed up for that. Dinner on Sunday, June 25 will be at Cantler's Riverside Inn. Please join us by land if you can't make the cruise. We will be eating around 7:00 (or sooner). If you can join us by land, come early and bring a handheld VHF. Hail us on ch72 and we'll send a dink in for you.

Please see elsewhere in this issue for details on the August "Appetizers & Desserts" cruise and make your reservations to join us. The Labor Day cruise is still taking shape and details will be announced as soon as they are available. Our last cruise is the Rock Hall Fall Festival and you can read about that in this issue as well. Sept. 23 & 24 may seem like a long way off but the Fall Festival is a popular weekend so make your reservations asap.
